Mr. Jim Bennett
48 Vitkin Street
Haifa, 34754

Dear Mr. Bennett,

I much appreciated your contacting me with respect to the "BISSINGER" family. Despite the rapid growth of my Franconian genealogies -- over 1,700 to date -- I had only rare references to your family, and indeed your data was thus most welcome.

I've taken the liberty of transcribing (by hand) your data into my format. Interestingly, there are relatively few Bissinger interrelationships; in addition to the Ehrmanns, a few Gerstles. Several Gerstles in fact can't be attached to my dozen or so charts: I've mentioned a missing branch to Karen Franklin at the Leo Baeck Institute, as this is her direct family. Also, I can't find any linkage to the several "ICHENHAEUSER" charts which I've accumulated.

Please send me any additions or corrections. I did notice a rather large duplication on chart I[A]: both families (Bissinger and Steppacher) couldn't have had the same children, with the same names born on the same date!

You are of course to be found on chart "BISSINGER II".

I look forward to hearing from you, and any additional information which you may have found on your visit to America.

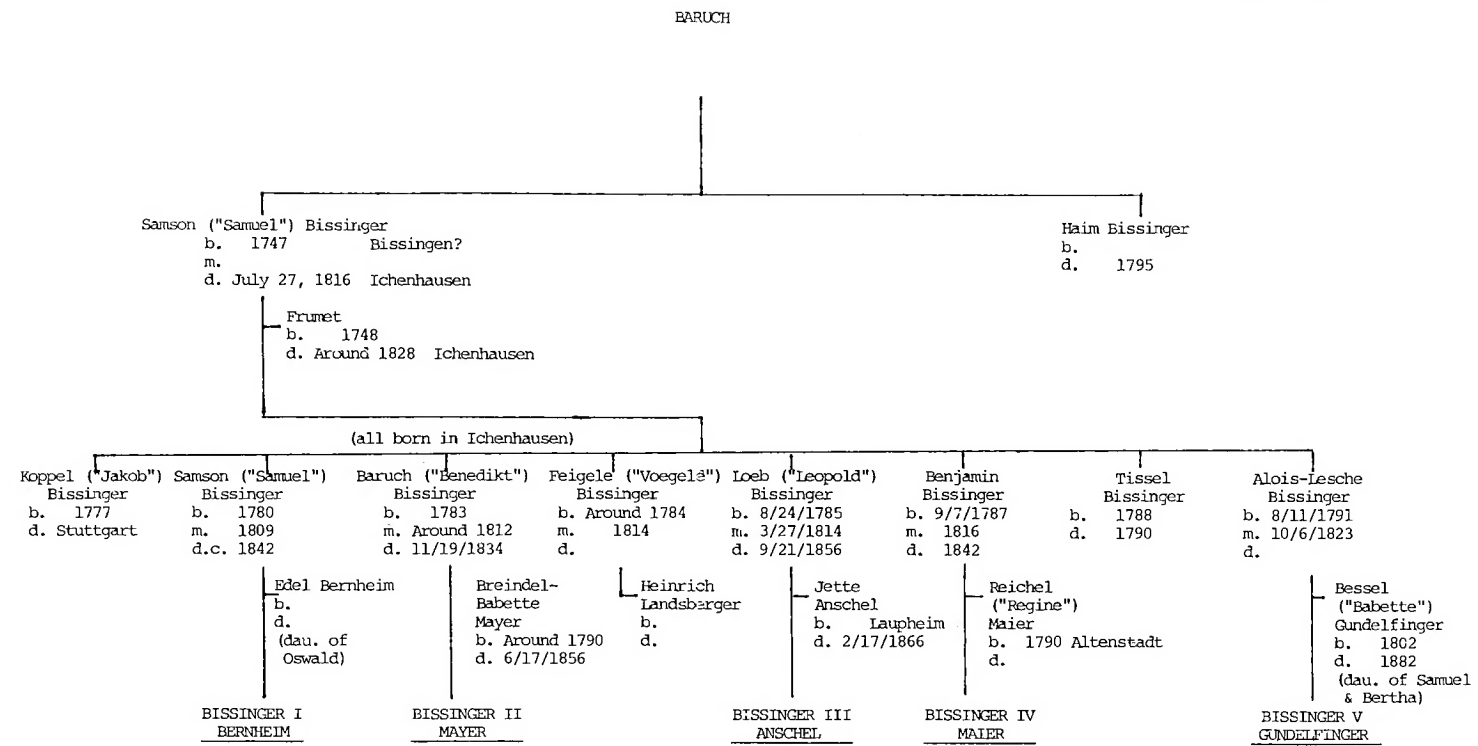

Sincerely,

Charles Stanton
